**NOTICE TO PRODUCERS REPRESENTED BY THE AMPTP
IN NEGOTIATIONS FOR THE
2024 MOTION PICTURE EDITORS GUILD, LOCAL 700 AGREEMENT:**

Re: Notice of Work on Sixth or Seventh Day

During the 2024 negotiations with Motion Picture Editors Guild, Local 700, the Union raised a concern that employees are often required to work on a sixth and/or seventh day in the workweek without advance notice. This lack of notice makes it difficult for employees to plan personal activities for the sixth and/or seventh day or rearrange personal activities already scheduled.

As a courtesy, Producers should endeavor to give at least forty-eight (48) hours' advance notice to Local 700-represented employees if an employee will be asked to work on the sixth and/or seventh day, but in any event should give such notice as soon as reasonably practicable prior to the sixth and/or seventh day

Sincerely,

Carol A. Lombardini
